FIRE DEPARTMENT MAKES TWO RUNS

An alarm from Box 34 Tuesday afternoon called the fire department to the vicinity of the old Midland railroad depot, in South Paris, where a big trash dump had caught on fire. The fire, a stubborn one to handle, was finally extinguished after some hard work by the department. Both auto pumpers were required to handle the blaze.

The department was called by a still alarm later to the foot of Main street, where sparks from a passing L. & N. engine had ignited grass under the bridge. The blaze was extinguished with chemicals.
